What is **OUR** format ?

International wire transfer fees consist of transaction fees and currency conversion fees. The person doing the payment, chooses who pays these charges by selecting either **BEN**, **OUR** or **SHA** format.

BEN (Beneficiary): The payee (recipient of payment) bears all payment transaction fees.

We (the recipient) receive your payment minus transfer charges.

You do not pay any charges. Fees are deducted from transfer amount.

OUR: You (sender of payment) bear all payment transaction fees.

We (the recipient) receive the full amount of the payment.

Fees are charged separately.

SHA (Shared): You (sender of payment) pay all fees charged by the sending bank.

We (the recipient) pay all fees charged by the receiving bank.

We receive payment minus the correspondent intermediary bank charges.

Fees are charged separately.
